Tenant Responsibilities

Tenants are responsible for keeping the apartment in good order, paying rent on time and adhering to the lease especially regarding trash, noise and behavior. Apartments will only be available for occupancy upon receipt of all deposits and documents as required.

Move In Condition Statements – We work hard to ensure your apartment is move in ready! When you check in, tenants will be required to sign a move in condition statement and will have **fifteen (15) days** to list any issues that may require repair and/or replacement. Should the list not be returned within this period, a court may later view your failure to return the list as evidence the apartment was received in excellent condition, which may impact your ability to recover any of the amount of security deposit withheld.

Subleasing

We are more than happy to accommodate subleasing, should the need arise, under the following conditions:

- No advertising sub-lease on Craigslist
- At least 2 months in duration
- Must be approved by the Office

Parking

- Tenants must register their car with the office and display a Hampton Properties parking sticker on the back, driver's side rear window.
- Parking is first come first serve
- **NO GUEST PARKING** in off street lots– violators will be towed at owner's expense

Snow Removal

- Please be patient, snow removal is time consuming
- Move cars upon request

Winter Break

If you leave over the holidays, we would like to remind you of a few things.

- **DO NOT TURN OFF YOUR HEAT!** Leave heat set at least 60 degrees. You will be responsible for any damage caused by the pipes freezing.
- Throw away any food that could spoil while you are away
- Take out **all** trash in yellow bags before leaving

If you have any questions, please let us know!

Trash and Recycling

All trash must be disposed of in yellow City of Worcester bags, which are available in most markets, convenience and drug stores. Recycle bins are available from the [Worcester Department of Public Works](#).

Please be considerate of your neighbors and properly dispose of your trash. In the event excessive trash is removed by Hampton Properties, the responsible unit will be assessed \$25 per bag. If the unit cannot be identified, the removal charges will be assessed to the entire building.

Proper Usage of Appliances

Washing Machines

- Remove all items from pockets before washing
- Check loading instructions on washer for proper setting
- Start washer immediately after loading it
- Use proper amount of detergent
- Avoid overloading the machine - **washer tub should not be more than ¾ full of laundry.** Overloading causes washing machines to shift out of position. Continual overloading can bend the washer's frame and damage the motor, which will eventually require repair or replacement. If washer stops mid-cycle, remove the top layer of clothing and it will usually start back up again.

Dryers

- Do not overload
- Clean lint trap before & after each use

Toilets

Do not flush any feminine products....or anything other than toilet paper.

Garbage Disposal

The majority of clogged garbage disposals are due to misuse.

If you can't eat it, it doesn't belong in the garbage disposal!
No bones, glass, plastic, metal or paper!
No grease, fat or oil!

HOW TO AVOID DISPOSAL ISSUES:

- **Check** for utensils, bottle caps, small glassware (shot glasses) or other foreign objects (beer caps before running the disposal
- **Turn on cold water** while using disposal
- Put only small amounts of food in the disposal at a time
- Run water & motor until **all** grinding is complete
- Run the disposal each time food is put in the disposal

MOST clogged disposals are non-emergencies and should be reported to
Maintenance@HamptonPropertiesLLC.com

If repairs are due to tenant negligence and/or disregard for proper use of the laundry units, toilets and garbage disposals, the following fees will apply:

1st Offense

- Warning! Maintenance will show you proper usage at no charge.

2nd Offense

-\$25 (during office hours)
-\$50 (after office hours)

3rd Offense

-\$50 (during office hours)
-\$75 (after office hours)

Move Out Instructions

- **Apartments must be vacated by NOON on the last day of the lease.** Notify the office in advance of your move out date. If you plan to move out earlier, please let us know.
- Contact the office to schedule a walkthrough of your apartment. Failure to schedule a walkthrough forfeits any right to contest any assessments against your security deposit.
- **Clean, Clean, Clean!!** Your apartment is expected to be returned in the condition it was given to you. Most security deposit deductions are made due to a lack of cleaning, especially the kitchen, appliances and bathrooms. Please see the checklist below.
- **Keys, Keys, Keys!!** Please return all keys, to include building, unit, bedroom, mailbox and/or dumpster keys. A \$50 assessment will be charged to the security deposit for each **full set of keys** not returned.
- Remove all trash, furniture, food, personal items, etc....
- **Any damage beyond normal wear and tear will be assessed to the unit.**

If **all roommates agree** you may choose to accept a cleaning charge (which will be pro-rated and deducted from your security deposit) instead of cleaning yourself.

- 1-2 bedroom - \$250
- 3-5 bedroom - \$300 - \$450

Please contact the office to let us know in advance if you would like to take advantage of this offer.
